Balance as at 2026 AGM		\$248.42

The Secretary
The Friends of Cradle Valley
Cradle Valley TAS

October 11, 2026

Dear Peter, Chris and Members

We are writing to thank the Friends of Cradle Valley for the support that you have given to us to have our great, great Aunt Kate return to Cradle Valley.

Since our first meeting with you at your AGM in October 2023 you have been there to answer questions, forward emails and suggest contacts. We have felt a real bond of friendship develop with so many of you in a shared belief that Kate return to Cradle Valley and that her legacy be better known by visitors and administrators alike.

Without encouragement from your members, we would not have completed the journey to unveil Kate's plaque. It had been a long journey, and we thought that at least she and Gustav were back together. In retrospect this final act of unveiling the plaque was as important as all the other stages and was a completion of the circle we started in 2023.

We wish Friends of Cradle Valley continued success in keeping the Valley safe and teaching others about this precious Tasmanian treasure

Warmest wishes

Sue and Michael
